## ACORN AWARD WINNERS NAMED

Each year, the city reviews nominations for its Acorn Awards, which recognizes well maintained, aesthetically pleasing properties that go “above and beyond” typical maintenance practices. The properties selected to receive the 2010 Acorn Awards are:

**COMMERCIAL CATEGORY: PLATINUM BANK**  
**7667–10<sup>th</sup> Street**

Integration into the wooded site and preservation of the land’s natural features have produced a pleasing community feel that features sparkling fountains, relaxing ponds, colorful flowers, and even a patio.

**MULTI-FAMILY CATEGORY: ECHO RIDGE SENIOR LIVING**  
**1033 Gershin Avenue**

Offers a peaceful and serene environment with a variety of flowers, well-maintained lawns, walkways, and outdoor venues for residents and visitors to enjoy the landscape.

**RESIDENTIAL CATEGORY: Tony and Sharon Zagaros**  
**7081 – 30<sup>th</sup> STREET**

Since purchasing the home (built in 1865) three years ago, owners have made many improvements such as building a pergola, planting dozens of flower and vegetable plants, and adding a beautiful flowering hedge that runs the full length of the property.
